

Managed PRO services for logistics company in KSA

CHALLENGE

- > The client was facing challenges with the renewal of their business critical commercial license
- > There were 3 CRs with 13 different licenses. In addition there were 30 employees whose visas were impacted
- > Employees were highly dissatisfied and there was loss of productivity

EXECUTION

- > TASC studied their licenses in details and mapped out the entire renewal process
- > TASC mapped the visa renewal dates and documents and worked with the authorities to align
- > TASC set up weekly governance with the client on open and pending transactions and assigned deadlines for closure

RESULTS

- > **70 Key transactions saved from being delayed**
- > **SAR 400K Fines avoided**

90 Days transition completed
